

Boerne Area Christian Home Schoolers Membership Information and Registration Form

The purpose of BACH is as follows:

- A. BACH is Christ-centered with the Bible providing the basis and standard of truth and values.
- B. The primary goal of BACH is the development of Christian character in our children, where each child is led to a personal relationship with Christ and trained in scriptural principals and values. Another goal is to promote academic excellence, which is to be acquired as a natural outcome of responsible, consistent homeschooling.
- C. The purpose of meeting together is to encourage and support the families of those in the pursuit of continuance of homeschooling by sharing experiences, pooling values and perspectives that are within the scope of the values and perspectives of this organization.
- D. As a Christ-centered support group, BACH will provide encouragement, information and appropriate experiences to anyone who may be interested in homeschooling, or is already homeschooling.

The Biblical Basis of BACH is as follows:

- A. We believe in the scriptures of the Old and New Testaments as the Inspired Word of God, inerrant of the original writings.
- B. We believe in one God, eternally existing in three persons, God the Father, God the Son and God the Holy Spirit.
- C. We believe that Jesus Christ, God the Son, in his first coming took on human flesh being fully God and fully man. That in His humanity, He was conceived by the Holy Spirit and born of a virgin.
- D. We believe that Jesus Christ died as a substitute sacrifice for the sins of all men and that all who receive Him by faith are justified by God and eternally saved.
- E. We believe that children are given by God as a stewardship to the parent and not the state and that parents have the wherewithal and authority to teach and educate their own children.

Historical Note:

Since its inception in 1987, BACH has functioned on the principle that parents are the authority for their own families and as such are to decide which activities their family will or will not participate in. When an activity is offered to the group, each family must decide if it fits into their plans and if they can submit to the requirements, if any, of the person offering the activity. The BACH Board does not dictate requirements for activities, nor does it sponsor the activities of the group except in special circumstances (i.e.. Classes, Promotion, Graduation ceremonies). All activities are offered by individual moms/families who desire to bless the group with a certain opportunity.
