

# Biology

Susie Marhofer would simply like to see if there is any interest in getting a few kids together to do the experiments for Biology. This would not be a class, just a gathering of families that want to do the Biology book at home, but get together with others for the experiments.

For more information, contact Susie Marhofer via [email](#), home phone: (210) 264-9339 or cell phone: (210) 649-5088

**Curriculum:** [Apologia's Exploring Creation with Biology, 2<sup>nd</sup> edition](#)

**Grades:** 9<sup>th</sup> – 12<sup>th</sup>
